

BULLETPROOF EXPORT DOCS

Your exports ride on paper; so your docs better be in top shape. Learn what export documents you should have in your shipping arsenal and how to complete them the right way during this free seminar. Bulletproofing your export docs will help to minimize shipment delays, achieve faster clearances for your customer, and ensure that you are paid on time.

Presented by Jim Trubits of Mohawk Global Trade Advisors.

January 24, 11:30am-1:00pm

Free, includes lunch
